

River Network News

Charlton and Blackheath Christian Fellowship have been running an 'Operation Andrew' campaign, which asks everyone to pray every day for three people, with a view to seeing them come to faith. In the New Year we will be taking E100 Bible Challenge, part of the Biblefresh initiative, which encourages us to read the bible together as a church following a programme of 100 readings, 50 Old Testament and 50 New Testament, with House Group discussions and Sunday sermons keyed into it.

London Network Church In 2011 God has given us the theme of Mission, Discipleship and the Power of the Holy Spirit. We will be looking at this through Luke. We have a parenting course and marriage course. Youth and student mission to South Africa coming up in April as well as a Kenya mission. Cells are continuing to be creative by building each other up as well as doing community projects and reaching out to people.

Weybourne Baptist Church During autumn, we allowed space in our midweek programme to make opportunity for meeting with our contacts. The men of the church enjoyed another social "pudding club" meeting in December. Unfortunately our Carol Service was cancelled due to snow, but our Christmas service was a joyous occasion, with family guests swelling the congregation. Please pray as Bob Skinner travels to India on 12th January to visit Joseph, a rural evangelist in Andhra Pradesh.

Wey Christian Fellowship Shortly before Christmas we went carol singing, distributing mince pies and invitations to our pre-Christmas service. The snow meant that slightly fewer than hoped attended this, and our Christmas Day service which was led by our young people. Mid-week groups will begin to study Romans; preaching during the first half of the year will focus on our Vision Statement and Strategies.

Early in January Heather, David and Yaabari fly to Nigeria to continue MLM.
